SIR:

These corrected drawings are being transmitted in response to a Notice of Drawing Inconsistency with Specification mailed June 23, 2004, a response being due before July 23, 2004.

In the prior transmission of formal drawings (February, 2004), due to an inadvertent error, FIGS. 6-8 were included with FIGS 1-5. While there is support in the specification for these figures at page 6, lines 8-11 as originally filed, the formal drawings should have included only six (6) sheets of formal drawings, which represent FIGS. 1 through 5, as noted both in the text of the formal drawing transmittal and in the "Brief Description of the Drawings" section of the specification.

To correct this inadvertent error, please substitute the enclosed drawings, which are six (6) sheets corresponding to FIGS. 1-5 as originally filed, in the application for any and all previously submitted drawings. The enclosed drawings should serve as the formal drawings in the application and should replace any previously submitted drawings.

Respectfully submitted,

Delmar Bleckley et al.
